## Italy Lake Garda

Sheltered by the northern foothills of the Dolomites and edged with colourful towns and villages, Lake Garda boasts some of the most breathtaking scenery in Italy. With an almost Mediterranean climate - mild in the winter and temperate in the summer, the villages that make up Tignale are situated on a green plateau with breathtaking views and sheer terraces over the lake, impressive mountains behind, and beautiful olive groves down to the beach on the lakeside - enchanting panoramic views everywhere that can only add to the enjoyment of your holiday. Tignale on the western side of the lake is an amalgamation of various small towns, the biggest of which is Gardola, just a short walk from the Hotel Astra. Many of the houses date back to the 17th century and have fine portals made of stone. The plateau of Tignale is ideal for extensive walks during which again and again outstanding views of the lake are offered. Also worth a visit is Madonna di Montecastello, a pilgrimage church on top of a steep cliff, which can be reached via a small footpath

## Italy Alassio

Located on Italy's stunning 'Riviera of Flowers', close to Diano Marina and halfway between Genoa and the French border, Alassio is the ideal setting to explore this region of outstanding natural beauty. Once a small fishing village founded in the 10th century, Alassio became a tourist resort in the late 19th century thanks to the presence of English tourists and has now grown into a thriving holiday resort. Known for its natural and scenic views, the town has sandy beaches, blue sea and many bars and restaurants on the sea front. Alassio also has a pier known as 'Moli di Alassio' or 'Pontile Bestoso' which offers views of the town.

The three star Hotel Majestic is conveniently located overlooking the sea on the corner of the Promenade. All bedrooms are tastefully furnished to a high standard and offer en-suite facilities, air-conditioning, direct-dial telephone, safe and satellite TV. ## Costa Brava **Roses**

Known as the 'wild coast', the Costa Brava has been a favourite with British tourists for many years. It earns its name from the beautiful rugged coastline with its steep rocky cliffs, golden sandy beaches and hidden coves dotted along its length. The former Greek colony of Roses stretches between the Mediterranean and the mountains on the Costa Brava and is sometimes referred to as the 'little Venice of Spain' due to the number of canals and bridges. At one time a peaceful fishing village, it has now developed into a thriving, lively and cosmopolitan tourist resort offering numerous pavement cafes and restaurants

### Hotel Mediterraneo Park

Just a short walk from the golden beach, the four star Hotel Mediterraneo Park has an excellent reputation for quality and facilities. The hotel boasts a large outdoor pool, children's pool, gym, games room and bar with dance floor and entertainment most evenings. The spacious restaurant serves a good selection of buffet style meals. All of the bedrooms are served by the lift and are tastefully decorated and equipped with modern en-suite facilities, satellite TV and balcony.

## Important Customer Information

### Room Allocation

Every effort will be made to provide precisely the kind of room you have booked and will endeavour to convey special requests to hoteliers. We must stress that we cannot guarantee any requests that are made.

### Seat Allocation

Requests for particular seats can be made when booking. Whilst everything possible is done to confirm seating plans shown and to provide the seat numbers booked by clients in the positions indicated and published seating plans, we reserve the right to change should conditions necessitate and we cannot accept bookings conditional on the provision of specific seats.

### Pick Up Points

On our tours we offer a door to door service at a small charge. However this service is operated at our discretion and we reserve the right not to provide the service in the advent of excessive baggage or unreasonable demands being made of ourselves which would make this service uneconomical or impractical to run (please ask for details).

### Special Diets

If you require a special diet you must inform us at least 4 weeks prior to your departure with a copy of that diet. This will be notified to the hotel of your particular holiday and any extra costs incurred must be paid to the hotel by yourself before departure from the hotel. We cannot guarantee hoteliers compliance with dietary requests.

### Single Rooms

On any holiday there are only a limited number of single rooms. When a single room is available it may be subject to a supplementary charge and this will be shown on the brochure page.

### Luggage

Please note that due to space limitations onboard the coach, the vehicle operating 'Door to Door' service and because of Health and Safety Regulations relating to our employees, you are asked to keep luggage to one medium sized suitcase per person together with hand luggage which can be stored safely under your seat on the coach. The only exception to this is when travelling on tours which require an overnight stay en-route to your holiday destination.

### Passports & Visas

All passports are essential for all continental tours. (From January 1996 British Visitors Passports are withdrawn). Citizens of non - EEC countries should ensure that they obtain the necessary visas for all countries visited. **It is your responsibility to be in possession of the correct passport (and visas, if necessary).**

### Health Formalities

At the time of publishing this brochure, there were no special health requirements for inoculations for any of the countries featured in this brochure.

### Local Conditions

During local and national holidays and on certain days of the week, facilities such as theatres, art galleries, museums and shops may be closed. When travelling at the beginning or the end of the holiday season you may also find that resorts are quieter and that some of the facilities are closed.

**D.** you must ensure that you have a valid passport or visas (if necessary) and we cannot be liable for any loss or expense suffered if you do not.

**E.** Although our vehicles have large luggage compartments, we have to adhere to regulations concerning the overall weight of fully laden vehicles. We would, therefore, ask you to restrict your luggage to one medium sized suitcase. It is a condition of travel that any items over and above this are notified to ourselves in writing and this includes collapsible wheelchairs.

### Note battery driven chairs or vehicles cannot be accepted

It is your responsibility to make sure your luggage is on board the coach on which you are travelling. ## OUR PROMISE TO YOU

### 1. We Reserve Your Holiday

Your holiday is confirmed at the time of booking subject to space being available on the holiday of your choice.

### 2. Your Holiday Price

Our prices are fixed on September 3rd 2014 and are shown in the price panels on each page on a per person basis. The holidays in this brochure were costed using the following exchange rate

£1 = Euro 1.1259

All the above rates are quoted in the currency of the country indicated and are equivalent to £1.00 sterling. The price of your holiday is fully guaranteed and will not be subject to any surcharges. Unless specifically indicated in the holiday description, entrance fees, city guides and optional excursions are not included in the holiday price.

### 3. If We Change Your Holiday

The contents of this brochure are correct at the time of going to press. We reserve the right to make changes to the information contained in this brochure and will advise you of any changes affecting your holiday where those changes occur prior to booking. The arrangements for holidays in this brochure may require changes after a booking is made. Most of these changes are very minor but where they are significant we will notify you as soon as reasonably possible before your departure date. A 'significant change' is one that involves changing your departure date, resort area, town of departure, reducing the quality of the main hotel. Changing the location of any single overnight hotel does not constitute a 'significant change'. In the event of a 'significant change' you may decide to a) continue with the amended holiday b) accept an alternative holiday which we may offer to you or c) cancel your booking. If you choose (a) or (b) we will pay you compensation on the scale below. If you choose (c) we will refund all monies paid by you and compensate you as shown on the scale below. No other claims for compensation or expenses will be considered.

More than 21 days	Nil
14 - 21 days	£10 per person
0 - 13 days	£15 per person

### 4. If We Cancel Your Holiday

It is necessary for there to be a minimum number of passengers in order to operate a tour. If the minimum number is not achieved before the balance due date the tour could be cancelled. In certain circumstances, therefore, we may have to cancel your holiday, and if this should occur we will return to you all the money you have paid to us, or offer you a suitable alternative. However we will not cancel your holiday after the date on which the holiday balance was due unless:

- you have not paid for your holiday in full
- your holiday is influenced by threat of war, riots, civil strife, terrorist activity, industrial disputes, natural or nuclear disasters, fire, epidemic or health risk, technical problems to transport, closure or congestion of ports or similar event beyond our control. If we cancel your holiday at any time we are liable only for any monies you may have paid to us at the time of cancellation and the compensation payments detailed in paragraph 3.

### 5. What happens to Complaints

All complaints that are received are thoroughly investigated and customers are kept informed at each stage of the investigation. Sometimes the investigations can take time when awaiting a response from hoteliers. We can normally agree an amicable settlement of the few complaints we receive, if the complaint is found to be genuine. You may of course go to your county court or other suitable court.

## 6. Responsibility for Your Holiday

We accept responsibility for ensuring that all component parts of your holiday as described in this brochure are supplied to you to a reasonable standard and this includes optional excursions purchased through our employees. If any such part is not provided in the advertised manner, we will pay you reasonable compensation unless the non provision was due to circumstances which we could not predict and which were beyond our control such as adverse weather, road or traffic conditions or the matters referred to in paragraph 4 (2) across.

For all claims other than death or personal injury which result from improper performance of the contract by us in circumstances where you stay for the whole or part of the holiday, our liability is limited to the total cost of the holiday (less any insurance) per person.

You should also be aware that:

**A.** some hotel amenities (e.g. lifts, swimming pools) require servicing or cleansing and we cannot, therefore guarantee that they are always available. Other factors, such as weather or lack of demand can affect the provision of entertainment or outdoor amenities described in this brochure.

**B.** some excursion itineraries include the use of ferries and other forms of transport which can be affected by inclement weather and may have to be cancelled or arrangements changed. Wherever possible a suitable alternative excursion will be offered.

## 7. Personal Injury

### (Whilst Participating in Arrangements Made by Us)

K M Motors Ltd has taken all reasonable and proper steps to ensure that proper arrangements have been made for all the holidays which are advertised in this brochure, including optional excursions offered by our employees and that the suppliers of all the services are efficient, safe and reputable. Whilst we have no direct control over the provision of these services to you by suppliers we will pay to our clients the equivalent of such damages as they would be entitled to receive under English Law in an English court for any personal injury to the client including illness or death, caused by the failure to perform or the improper performance of such services by our employees or any of our suppliers contracted or sub-contracted by us to provide any part of the arrangements for your holiday as described in this brochure and where such failure or improper performance is due to the fault of such person. We do not accept responsibility if the failure, death or personal injury is not caused by any fault of ours or of our suppliers or is caused by you or someone not connected with your holiday arrangements, or if the failure, death or personal injury is due to unusual or unforeseen circumstances which even with all due care we or our suppliers could not have anticipated or avoided.

**Note** We accept responsibility as stated above provided that:

**A.** All claims for personal injury are notified within 3 months of the return from holiday.

**B.** The injured client(s) assign to KM Motors Ltd any rights against a supplier or other person or party they may have relating to the claim.

**C.** They agree to co-operate fully with us should we or our insurers wish to enforce those rights which have been assigned to us to which we are subrogated.

**D.** Such payment is limited in the case of transport by water or air to a maximum of such sums as would be obtained under the provisions of the appropriate International Conventions. The assignment is necessary to enable us to try and recover from suppliers any compensation we have paid to clients by the fault of those suppliers. If we recover more than such compensation and costs, any excess will be paid to the injured client.

## 8. Personal Injury

### (Unconnected with Arrangements Made by Us)

Where appropriate and subject to our reasonable discretion, we will afford general assistance to clients who through misadventure suffer illness, personal injury or death whilst travelling on a KM Motors Ltd holiday arising out of an activity which does not form part of the advertised itinerary nor part of the excursion offered through the company, and which is the responsibility of a third party. If assistance is provided we will limit any monies paid to £5,000 per booking form and in the event of there being a successful claim against a third party, or there being suitable policy(ies) in force our costs shall be recoverable from the clients concerned.

## 9. Other Terms

### A. Our Delay Policy

In the event of a delay of more than 6 hours to the advertised time on any of our holidays, we will do our best to reduce your discomfort. However, all clients are strongly advised to take out Emerald Insurance cover offered in this brochure as it contains a comprehensive Delay Protection Plan offering financial compensation for delays extending beyond 12 hours.

### B. Holiday Excursions

Sightseeing tours in cities and other places of interest are not included in the price unless specifically mentioned on the tour page, although sightseeing excursions will often be available from your driver/courier at additional cost. Optional excursions will operate subject to a minimum number of passengers wishing to partake.

### C. Entertainment

Some of our hotels arrange additional entertainment which could include music, dancing, film shows, bingo etc. The nature and frequency of the entertainment presented is at the discretion of the hotel and therefore not guaranteed and could be withdrawn if there is a lack of demand or insufficient numbers in the hotel

### D. Special Requests

We accept these on the understanding that they will be passed onto the hotel. Under no circumstances can we guarantee that such requests will be granted or that the hotel had, or is able to, provide the requested facilities.

### Important Note

Compensation payments do not apply to changes caused by reason of war, or threat of war, riots, civil strife, terrorist activity, industrial action, natural or nuclear disasters, fire, technical problems to transport, epidemic or health risk, adverse weather conditions and similar events beyond our control.
